IKSC 2017

Dear Kendo Friends!

The last ten years the International Kendo Summer Camp Berlin was a great success. Very nice people from several countries practiced in a pleasant atmosphere. It was an event which has been very unique in the landscape of Kendo in Europe. Now it ended.

The way of Kendo means to move yourself in a value direction.  
Therefore we proudly present the new issue:

## **1. International Kendo Summer Camp Liesing/Lesachtal:**

**From July 11<sup>th</sup> to 15<sup>th</sup> 2018 in the beautiful mountains of Carnic Alps!**

### **Headline of the IKSC-LL 2018: To originate "Serious Kendo trough striking correctly!"**

Several high quality players and teachers with 5., 6. and 7. Dan announced their presence as usual. Friends from Japan will be expected, too.

The basic idea intends to have keiko with friends and enjoy the summer time. The concrete keiko idea is to learn individual points in a very relaxed training situation. The way of learning contents a clear structure of kihon, shikake/oji-waza and jigeiko. As usual different teachers are asked to lead the teaching of kihon and waza. The teachers will advise you in shiai practice, too. Traditionally the seminar ends with a Team-shiai of all participants. Please visit our seminar completely. Part time practice is not in the way of this idea.

The dojo area could be used as sleeping place without any extra costs. Our members will prepare a simple breakfast desk for the sleeping guests. Low price accommodations are easily to find around the area. A cheap "Kendo menu" will be offered in several taverns around the

periphery. An transfer could be arranged from the railway stations "Kötschach-Mauthen" or "Oberdrauburg".

The summer is a great time for sightseeing tours. During our relaxed daily keiko you could find enough time to enjoy the beautiful Lesachtal and the Carnic Alps. The seminar ends with the traditional barbecue - now very close to the alpine world.
